Some Wine List Notes:

- This wine list includes, among other things, some of my favorite wines I’ve enjoyed over my 25 year love affair with wine. It includes wines from my favorite regions in the Southern France, Alsace, some incredible wines from Campania in Italy, and Pinots from Oregon, which in my opinion come the closest to exhibiting an Old World terroir as the New World can.
- It also includes some recognizable wines that anyone can quickly find something they will like.
- The list is written to allow people to venture out and adventure, and offers a number of remarkable wines from the Old World that are priced right to explore, so please do so, and ask our staff to help you find something new you can’t get in a whole lotta places!
- Wines are listed in a specific order and font to help with identifying them:
 - 1) Producer (Argyle);
 - 2) **Varietals, from most to least (Pinot Noir);**
 - 3) Proprietary Name;
 - 4) *Origin & Designation (Willamette Valley AVA);*
 - 5) Vintage (2021)
- ★ All wines may be purchased for retail at 20% off the menu bottle price.
